

Practice Financial Policies

Thank you for choosing our Practice as your dental healthcare provider. We are committed to providing you with the highest quality of dental care so that you may attain optimal oral health. The following is a statement of our financial policy, which we require that you read and sign prior to any treatment. As a fee-for-service practice, payment is due at the time service is rendered. Our office accepts cash, personal checks, credit cards as well as third-party financial options. Should you be interested in third-party financial options, please inquire with our front desk team members for more information.

Do we accept Insurance?

As a fee-for-service practice, we are not in network with any major insurance companies and are therefore considered to be an out-of-network provider. In an effort to provide the best service possible, our office will help you optimize your out-of-network benefits. We take the initiative of filing your insurance for you and provide you with any documentation needed for your insurance claim. You will then be reimbursed directly from your insurance Company.

Cancellation Policy

Procedure/Surgery appointments are scheduled to allow sufficient time and accommodate our patient's individual needs. We require 2 business days' notice prior to your scheduled appointment when changes are needed. When inadequate notice of a cancellation is provided our staff is unable to accommodate other patient's needs. We do understand that emergencies arise; however, we reserve the right to collect a cancellation fee up to \$1,000 for all scheduled surgical appointments and \$65 for all scheduled maintenance and consultation appointments.

I HAVE READ AND UNDERSTAND THE FINANCIAL POLICY STATED ABOVE.
